people's potential to maximize their own performance. It is about raising awareness and responsibility - helping them to learn rather than teaching them. The GROW Model is an elegantly simple way of structuring an effective coaching conversation and, as such, has become one of the best-loved models of coaching.

GROWing people, performance and purpose

Whitmore says that Gallwey (“The Inner Game”) put his finger on the essence of coaching, which Whitmore then paraphrases as: “... unlocking a person’s potential to maximize their own performance. It is helping them to learn rather than teaching them.”.

performance and ...

One of the manager's responsibilities is to create an environment where employees can grow and develop.

Coaching does that. It is significantly different from management because coaching focuses on helping someone grow and develop based on his / her own best interests, as well as the best interests of the company. Coaching
