review 1: Master Over You is not a book suitable for children and teens under the age of 18, so be warned. Noah and Angeline are slave traders with haunting, yet similar pasts. I picked this book up because of the cover, it's catchy. Master Over You falls more on the dark romance side.. This was a really crazy book, I happened to like this much better than the overrated Fifty Shades series.

"This was all for Noah. I was doing it for him. Why didn't they understand? I found three of them and was having sex with all of them at once when I heard a wailing cry shouted through the halls.
