Overview. *The Intuitionist* (1999) is a postmodern novel by American author Colson Whitehead. It is set in an unnamed city that resembles New York in the 1940s, but with one major difference: in this city, elevators (or "vertical transport") have enormous political and economic clout. The City's Department of Elevator Inspectors is collapsing into a corrupt power-struggle between "Empiricist" inspectors, who perform mechanical testing to establish the safety of an elevator, and the ...
