**THE FUTURE DIRECTIONS OF POSTAL REFORM**

People not in our industry may wonder just exactly what “postal reform” is and why its future is such an issue. Answering all this briefly may not be easy, but here goes. The Postal Reorganization Act of 1970 replaced the cabinet-level Post Office Department with the Postal Service, which was to be a self-supporting service operated in a ...

those provisions. Without modifications, NARFE will oppose postal reform bills that include them. Recent Legislative History (115th Congress) Leading postal reform bills in the House and Senate during the 115th Congress, H.R. 756/H.R. 6076/S. 2629, did not gain the support necessary to win approval in either chamber, much like their predecessors.

**U.S. POSTAL REFORM IN THE 116TH CONGRESS**

Looking at the Future of the Postal Service: Getting to 2030. The final panel, titled “Imagine!” was tasked with addressing where the U.S. postal system needs to be by 2030 and how we get there. It was led by former Postal Regulatory Commission Chairman Dan Blair. Like the industry association panel, this group expressed concern that fundamental change is needed in the business model for the Postal Service, but shared the belief that Congress seems to lack vision for reshaping the Postal ...

This is followed by a discussion of why certain reform policies have worked better than others; the answer provided here is that rent seeking is the key. Next is an examination of the major threats faced by these countries today. The future direction of economic policy is dependent not only on the past, but also on current problems.
