Rich Democracies Political Economy, Public Policy, and ...

My conclusions about specific similarities and differences among the universe of rich democracies can shed light on the theory of “American exceptionalism”—the idea developed by many political philosophers (e.g., Alexis de Tocqueville, 1963 [1835]; Louis Hartz, 1955) and social scientists (e.g., Werner Sombart, 1976 [1906]; Seymour Lipset, 1996; Byron Shafer, 1999) that the U.S. because ...

Rich Democracies: Political Economy, Public Policy, and ...

In this landmark work, the culmination of 30 years of systematic, comprehensive comparison of 19 rich democracies, Wilensky answers two basic questions: (1) What is distinctly modern about modern societies--in what ways are they becoming alike? (2) How do variations in types of political economy shape system performance? He specifies similarities and differences in the structure and interplay ...

Rich democracies : political economy, public policy, and ...

This book focuses on the political economy of privatization. Almost all advanced democracies have launched significant privatization programmes over the last three decades. However, while there was a global run into privatization, substantial cross-national differences in the divestiture of state-owned enterprises can be observed.
